There shall be 5 distinct running Pay Bands and 30 Grade Pay corresponding to the pre-revised pay scales. Minimum basic pay is Rs. 5860/- (Rs.4560/- Pay in the Pay Band+ Rs.1300/- Grade Pay) and Maximum basic pay is Rs. 55000/- (Fixed Pay for the post of Commissioner and Secretary). Fixation of pay in the revised pay bands shall be done in the following manner:

- (i) Basic pay shall consist of pay in the Pay Band and Grade Pay. It shall be inclusive of ad hoc fitment benefit, if any, as per provision in Point (v) mentioned below:
- (ii) The basic pay drawn as on 1/1/2006 on the existing pay scales shall be multiplied by a factor of 1.86 and then rounded off to the next multiple of Rs. 10. This shall be taken as the pay in the revised running pay band. If the figure derived from multiplication of existing basic pay by the factor of 1.86 is less than minimum of the pay band, the revised pay in the pay band shall be fixed at the minimum of the pay band.
- (iii) The Grade Pay has been given within the limits of what has been adopted by Government of India with suitable modifications wherever necessary. In some cases, the amount of grade pay has been adjusted so as to maintain a clear differential between successive Grades pays.
- (iv) The detailed fixation chart at APPENDIX VII of Assam Services (Revision of Pay) Rules, 2010 showing stage-wise fixation of existing employees in the revised running Pay Bands should be utilized in every case of fixation of pay of the concerned employees in the revised running Pay Bands.
- (v) It is seen from the fixation chart that bunching is occurring in the chart during the initial stages for some of the pre-revised scales. This is due to the fact that the employees at these stages will have their salaries fixed at the minimum of the pay band as per clause (ii) above. To remove the bunching, an ad-hoc fitment benefit at the rate of 50% of the first increment, rounded off to the nearest Rs. 10, in the particular pre-revised scale shall be given for subsequent stages till the bunching of pay is removed.
- (vi) Fixation in the revised Pay Band and Grade Pay thereon have been done with reference to the pre-revised pay scale in which the employee was actually drawing pay irrespective of whether he/she has been placed in such pay scale on appointment, regular promotion or any other time bound promotion scheme; upgradation of the post, etc.

Fixation of pay in the revised pay bands of existing employees shall be done in the following manner:-

- (i) In cases where employees have been placed in a higher pay scale between 1/1/2006 and the date of notification of the revised Pay Bands on account of promotion, upgradation of pay scale, etc., the employees shall be given the option to switch over to the revised pay band and grade pay from the date of such promotion, upgradation, etc.

- (ii) The detailed fixation chart at APPENDIX VII of Assam Services (Revision of Pay) Rules, 2010 shows stage-wise fixation of pay of existing employees in the proposed bands w.e.f. 1.1.2006. Subject to provisions of (ii) above, pay of employees shall be fixed accordingly.
- (iii) In case of promotion between identical posts in the same cadre, if a senior employee promoted to the higher post before 1/1/2006 draws revised basic pay which is less than that of his/her junior who is promoted to the higher post on or after 1/1/2006, the pay of the senior employee shall be stepped up to make his basic pay (including Grade Pay) equal to the pay of the junior in that higher post, provided the senior employee, at the time of promotion, had been drawing equal or more pay than his/her junior.
- (iv) DA and all other allowances, facilities, pension etc. shall be payable on the sum of Grade Pay and Pay in the Pay Band. (Plus ad hoc fitment benefit, if any)
- (vii) Facilities like Government housing etc. will be governed by the Grade Pay. An employee in the higher Grade Pay will be senior to an employee in a lower Grade Pay. In case of employees drawing same Grade Pay, priority shall be governed by the total emoluments drawn.

Financial upgradation upon reaching the maxima of Pay Bands shall take place as follows:

- i) When a State Government employee reaches the maximum pay in a Pay Band, the employee will spend two years from the date of last increment at that stage without further movement.
- ii) At the end of two years, the employee will be eligible to move into the next higher Pay Band as a measure of financial up-gradation.
- iii) Such an employee will continue to draw the Grade Pay which was drawn in the lower Pay band and will not be entitled to any higher Grade Pay.
- iv) Such an employee will not be eligible to any additional increment on being placed in the higher pay band. There will be no change in the designation or functions of the employee by such a change in Pay Band.

## **2. Annual Increment**

#### **40. Miscellaneous**

Finance department shall decide procedural issues, elaborate details and other associated aspects of the aforesaid issues as approved by the Cabinet.

#### **41. Anomaly Committee**

An anomaly committee has been constituted to address anomalies that may be reported.

#### **42. General decisions**

1. The revised pay structure for different services/posts under the State Government, as approved, has been indicated in the Schedule annexed to the Assam Services (Revision of pay) Rules, 2010 issued under Finance Department Notification No.FPC.85/2009/2 Dated 4<sup>th</sup> February, 2010. The procedure for fixation of pay of the existing Government employees in the revised pay structure has also been laid down in the aforesaid rules.
2. The revised pay structure which will have notional effect from 1<sup>st</sup> January, 2006 will apply to the Government employees who are in service on 31<sup>st</sup> December, 2005 as well as to those who entered service on or after 1<sup>st</sup> January, 2006.
3. The existing Dearness Allowance granted vide O.M. No. FEG 15/1998/Part I/ 46 dated 21<sup>st</sup> July, 2006 has been fully merged in the revised pay as on 1.1.2006 and this will no longer be admissible over the revised pay. Similarly, the existing Dearness Relief, sanctioned vide O.M. No.FEG 15/1998/Part I/ 46 dated 21<sup>st</sup> July, 2006 as on 1.1.2006 has been fully merged in the revised pension and this will no longer be admissible over the revised pension.
4. The Interim Relief sanctioned vide O.M. No. FPC 6/2008/13 dated 30.5.2008/ O.M. No. FPC 6/2008/Part/4 dated 2.1.2009 and O.M. No. FPC 6/2008/30 dated 4.9.2009 to the employees and the pensioners including family pensioners will no longer be admissible with effect from 1<sup>st</sup> February, 2010. The Interim Relief drawn from 1.4.2009 will be adjusted (deducted) from the arrears arising out of the revision of pay, pension which will be paid with effect from 1.4.2009.
5. Although the revised pay structure shall notionally come into effect from the 1<sup>st</sup> January 2006, an employee who is in service on the 31<sup>st</sup> December, 2005 has been given an option to continue in the existing scale of pay till his next or any subsequent increment(s) in that scale or until he vacates the post or ceases to draw pay in that scale. An employee who has entered service on or after 1<sup>st</sup> January, 2006 but before publication of the Assam Services (Revision of Pay) Rules, 2010 has also been given a similar option. It is to be noted that if the option is not exercised within the prescribed time limit of 60 days, the revised pay structure will apply from the 1<sup>st</sup> January, 2006 to an employee who was in

service on the 31<sup>st</sup> December, 2005 or from the date of appointment in the case of an employee who entered service on or after 1<sup>st</sup> January, 2006. It should also be noted that mere exercise of an option within the specified time limit by a Government servant is not sufficient. It will be personal responsibility of the employee to ensure that it reaches the competent authority within the time limit and he obtains an acknowledgement to that effect.

6. As the revised pay structure will be notionally effective from the 1<sup>st</sup> January, 2006 and thereafter, all new posts created or to be created on or after that date should be on the revised pay structure. Sanction to the continuance of temporary posts, the existing sanction which expires on or after that date should be accorded in the revised pay structure. In case of a Government employee who prefers to retain the existing scale under Rule 5 of the Assam Services (Revision of Pay) Rules, 2010, the same scale will continue for the period for which the option is operative, as personal to him.
7. In the revised pay structure, 5 distinct Pay Bands and 30 Grade Pays have been prescribed. The pay structure as accepted by the Government is incorporated in the Schedule. As such, proposals in respect of the pay structure of the new posts to be created hereafter are to be based on this standard pay structure consistent with the nature of duties and responsibilities attached to them.
8. In the revised pay structure, no confirmatory stages have been indicated. The period of probation, pay during the period of probation and confirmation in the revised pay structure will be regulated as provided in the respective service rules or as laid down by the competent authority under general or special orders.
9. Some revised Grade Pays have been sanctioned specifically stating the required minimum qualification. These will not be admissible to persons who do not possess that qualification. In such cases, corresponding Grade Pay to the pre-revised scale will continue unless there is a specific mention to the contrary. In future only qualified persons should be appointed to such posts/services.
10. The Accountant General, Assam will calculate the first pay proposed to be drawn in the revised Pay Structure by the gazetted Government employees other than those whose pay is drawn in establishment bill and issue pay slips accordingly. As regards non gazetted Government employees and the gazetted Government employees whose pay is drawn in establishment pay bill, the head of office shall draw on their own responsibility the revised pay and keep the service book of the Government employees and the initial pay fixation statements in duplicate ready for checking of the same by the Audit staff of the Office of the Accountant General, Assam locally.
11. Till the fixation of pay is finally checked by the Accountant General, Assam, the fixation of pay done in the revised pay structure by the head of Office will be treated as provisional and the head of office will draw the arrear and monthly pay of the staff/Officers on the basis of the provisional fixation of pay in the revised pay structure.

instalment. This shall be done after adjustment of interim relief drawn as per O.M. mentioned in Para 4 above.
